

SACCI

2009 CONVENTION AND GALA DINNER

South Africa Through the Crisis: Business
Experiences & Government Leadership

INVITATION

The 2009 Annual SACCI Convention and Gala Dinner promises to be an event that should not be missed. Our line up of key note speakers are a strong combination of government, business and labour, brought together to discuss and present on issues that are pivotal to the current and future business climate of South Africa.

We are proud to announce that the Honorable President Jacob Zuma will grace our Gala Dinner as the guest speaker addressing business on their role in local economic development. He will be supported on the program by Minister of Trade and Industry, Dr. Rob Davies, who will share his perspective on the 'Roadmap for harmonization and integration in Southern Africa'.

Our principal sponsor, Transnet Port Terminals, will be represented by the CEO of Transnet Port Terminals, Mr. Tau Morwe who will be presenting to the delegates during the programme on 16 October.

We hope that you will join us at this exciting event.

Neren Rau
CEO
